In reply to your postal card, I cannot supply you for the present with any Low medals nor Ferdinand & Isabella Gold coins. I have got in stock about 50 dutch copper tokens, mostly fine and some rare amongst the number, which I will let you have at the average rate of 10¢ a piece, if you take the lot. I however cannot send them on approval. — As regards the H. H. & H. Gold coin, which you returned, I beg to say that your friend must be very difficult to please; I hardly ever have seen a finer specimen & the slight double struck of some letters would excite subject to discussion in our market.

With best regards

Yours truly

Many thanks for your nice photograph.

Gentle

I am in receipt of your
favour of 1st inst which is to hand since
10th inst; but the coin parcel advised
therewith has as yet not arrived, so that
I am afraid, it might have been misrouted.

Will you please take the
necessary inquiries to ascertain whether the
coins may have been shipped and before
know the name of your Hamburg or
Bremer Agents, whom I readily will
ask about the matter.

Yours truly
A. E. John

Gentl^s

Since my postal card of 21 inst
your package has come to hand at last
on the eve of Christmas. I defer
to your directions I retain the money
for payment until further notification
from your part. The coin has proved
satisfactory, except the lot 81 containing
2 Brabant francs, which left by two
schus and poor of preservation, and as the
catalogue states 2 German Thalers in fair
condition. - This lot, being of no use for
me, I am sorry to be obliged to keep
your disposal.

Wishing you many happy returns
of the season, I am Gentl^s

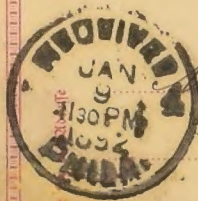

Lot 81 is worth for me
\$1.60 at the utmost

Yours Sincerely
Adolph Lohm

Gentle

Your favor of March 29th is received covering draft and order for Mks 701.10 which amount has been duly placed to your credit; please accept my best thanks. - I also give you credit for the 3 lots returned: 173 and 203 I do not consider as antique counterfeits; they are "subarati" (faux) and it often happens that such coins have been issued by the legal authorities. For the lots 48, 210 & 1158 messrs Spink & Ready of London who came over to the sale were the last bidders; so it seems that the slight defectibilities to which you object did not appear to them of much importance and I of course could not leave the coins below your limits.

208 was false of course.

204 I consent to let you have @ 15 Mks &

shall forward it along with such coins as you may
order from the enclosed list, which I readily shall send
on approval. As you will perceive from the letter I
have not been able to purchase ^{for myself} many very fine or
rarest coins. So in order to avoid you trouble postage
& trouble in returning pieces which may not prove
convenient, I prefer to send you previously a list
of what I think may suit you. As to prices I
shall quote them for you with a moderate advance
on those of the sale.

Yours sincerely
Adolph C. Cohen

Messrs S. H. & J. Chapman Philadelphia

Gentlemen:

I herewith beg to forward - postage prepaid
and value insured at my company - thirteen lots of cat. 19
out of those ordered by your favour of Nov. 13th

To my regret the larger part of the lots ordered were
no longer at my disposal the modern German coins being
much researched by our collectors.

The medal you saw on the back page of my catalogue
is not in stock but it is merely a vignette in the editor's
advertisement of Colnel von Keyser's new book on the penal
& belgian civil and war medals & decorations. The price of which
is Mk 8. - Please give me notice whether you want me to send
you the book.

Here enclosed I beg to hand you invoice of the
sending amounting to Mk its all the pieces
(with one exception) are current coins and their price

is quoted very little above their currency value you
will understand that I can't give you a larger
allowance than 5pc. on the amount

Believe me Gentlemen, with best respects

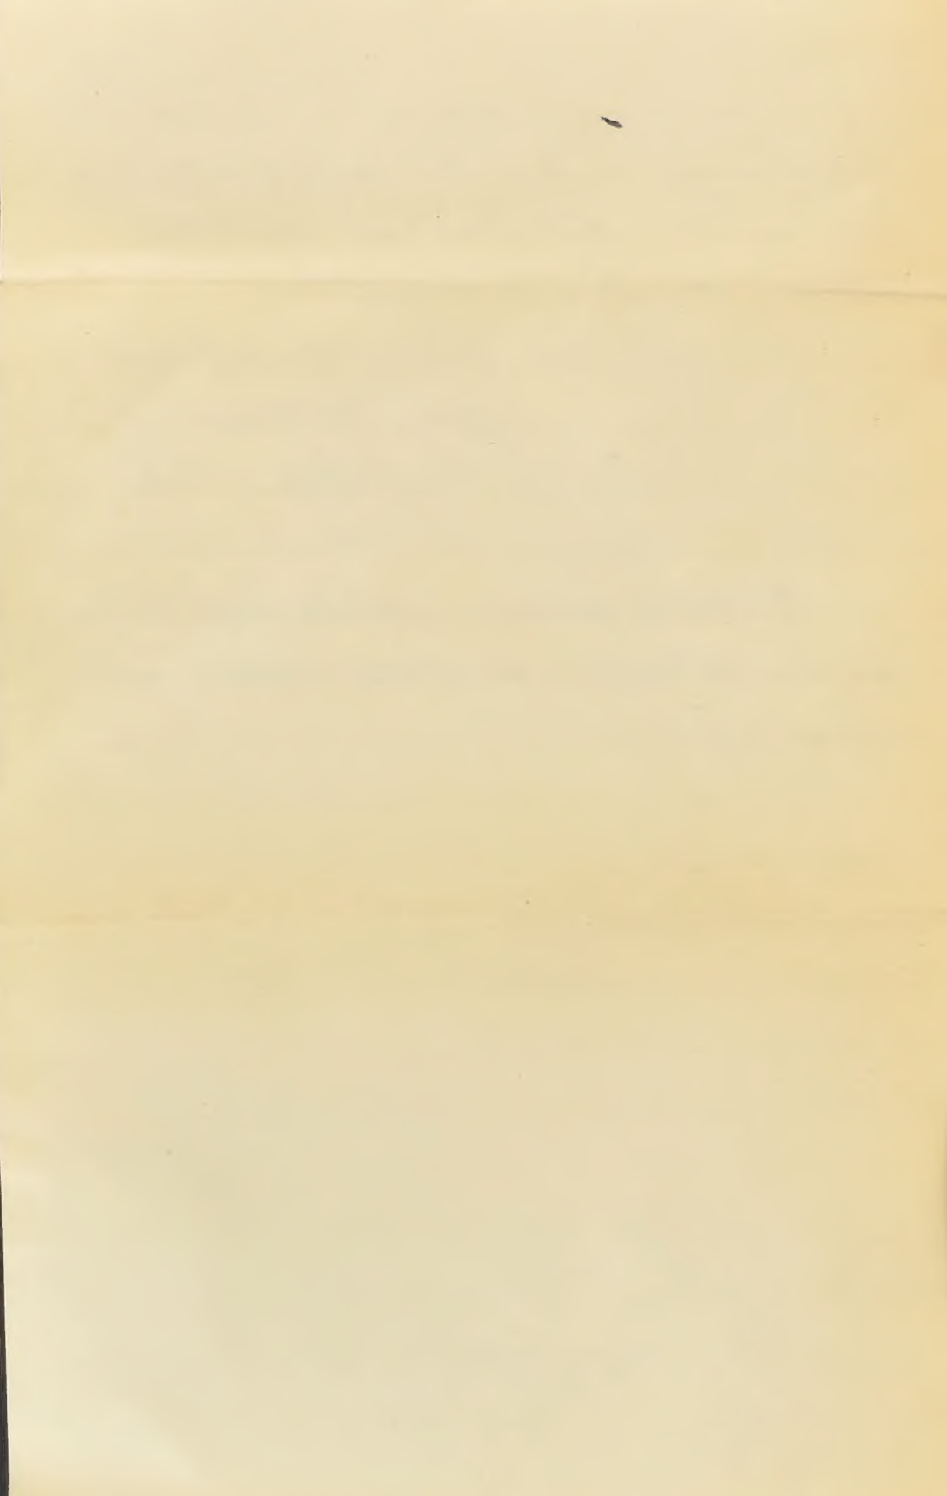

Yours faithfully

Adolph E. Cahn

P.S.

Your letter had been stamped insufficiently as you will please
from enclosed copy, wherefore a fine of 25 pf was perceived which I
by to put to your debit
